FAITH DISCOVERY: GROWING IN FAITH, FOSTERING CONVERSATION

These books are for everyone who wants to expand their experiences of faith. These books touch on issues and themes that affect us all, from authors of different perspectives.

These books will challenge you to grow and stretch in faith. They will also encourage you to pick up the conversation with someone else. This is how the Gospel is discovered and shared!

One book is suggested every two months. This will hopefully give you time to read, reflect and enjoy. If you would like to help host a group discussion about a particular book please speak with Rev. Danielle.

At First United we are committed to growing in faith and discipleship. The sharing and learning we do together helps us on that journey.

September / October :
