### Congregational Meeting Outcomes

We had a congregational meeting on Tuesday evening. The JNAC report and recommendations were adopted by the congregation.

These include:

1. No declared vacancy for a Faith Formation Coordinator
2. Increased attention and strengthening of congregational Financial Stewardship
3. A recommendation that the congregation revisit the possibility of this position in spring of 2014.

Further information will come regarding the written input received.

Thank you to everyone who attended.

Thank you to the JNAC Committee: Amanda Ansah, Charlotte Fildes, Karen Martin, and Curtis Tufts (Presbytery Rep). Your work and effort is greatly appreciated.
